

Could this be menopause?

A practical approach for the busy GP.

Online webinar

When: 6:30 pm, 18 October 2023

To register, please scan the QR code.

Join us for an interactive webinar to learn all about menopause-related presentations in general practice, brought to you by Women NSW and the Australasian Menopause Society (AMS).

A panel of experts will present a selection of cases and discuss validated diagnostic tools and evidence-based management options.

Meet the panellists

Dr Elina Safro
MBBS BScMed(Hon)

Dr Elina Safro is a general practitioner with expertise in sexual and reproductive health and more than 12 years clinical experience across the full procedural scope in this area of medicine. She also serves as Chair, Education Subcommittee of the Board of AMS and as an Adjunct Research Fellow at the HER Centre, Monash University.

Dr Karen Magraith
BMBS FRACGP

Dr Karen Magraith has a longstanding interest in women's health and has been a member of the AMS since 2004. She is President of the AMS and keen to promote its role in educating and supporting a wide variety of GPs, to enable them to provide high-quality healthcare to women.

Dr Sonia Davison
MBBS FRACP PhD

Dr Sonia Davison is an Endocrinologist with a special interest in women's health. She is a Clinical Fellow at Jean Hailes for Women's Health and has worked in the Women's Health Research Program at Monash University. She is the immediate past president of the AMS and former editor of its newsletter, *Changes*.
