

Menopause Essentials Update Perth

1.30-5.00pm Saturday 14 November 2020

Seminar Room 4, University Club of Western Australia, UWA, 35 Stirling Hwy, Crawley WA

This update on Menopause is aimed at GP's, gynaecologists, endocrinologists and other health professionals who are seeking a comprehensive review of the current issues that face them in the diagnosis and management of menopausal symptoms. Presentations will include case studies and there will be time for questions.

Topics include:

- Decision making at menopause
- Menopausal hormone therapy (MHT): What's new?
- Managing menopause without hormones
- MHT in difficult circumstances

REGISTRATION FEE

AMS members: Free

Non-members: \$50
